KIIT HULT PRIZE 2021

Date – 12th February to 13th February 2022

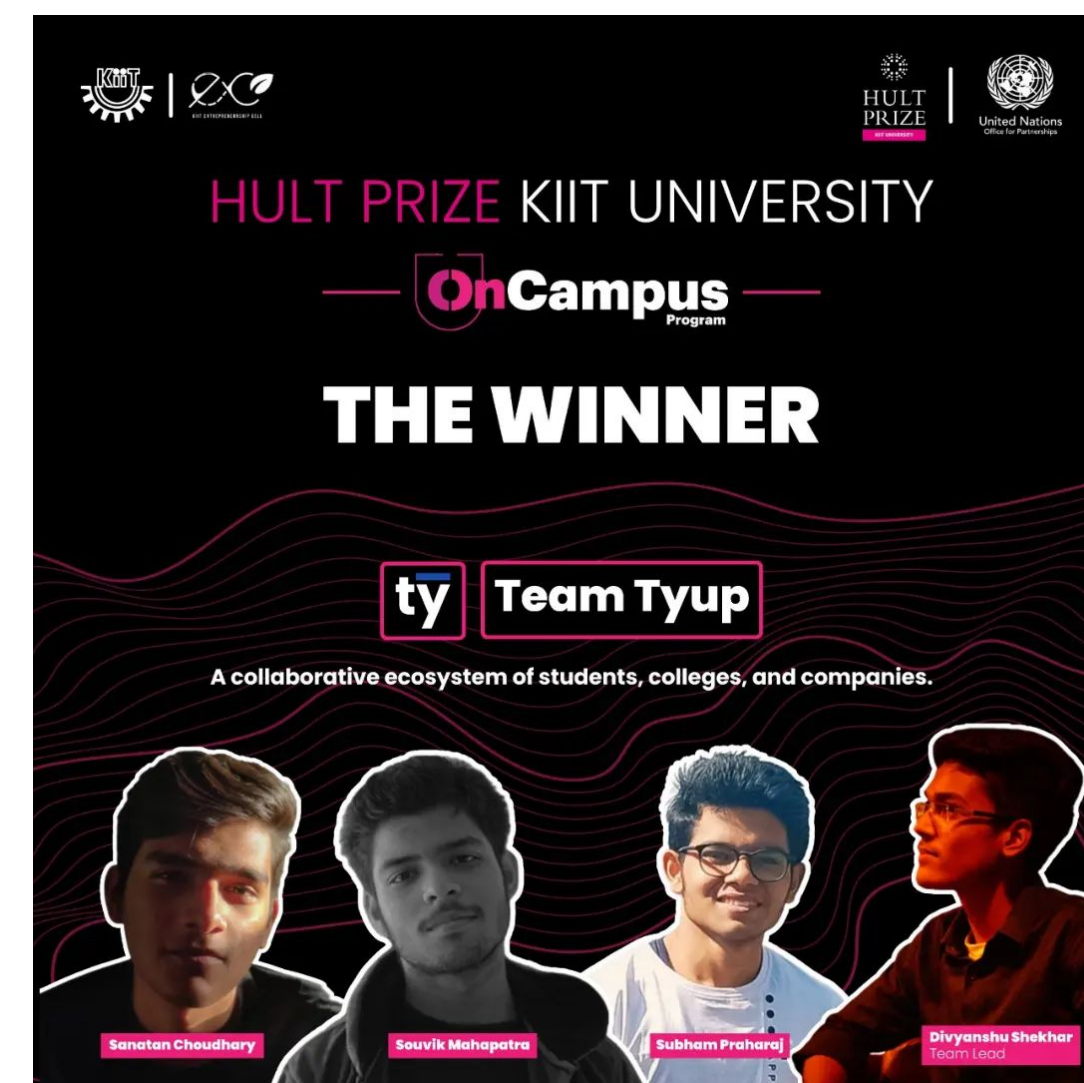

Hult Prize 2021 is an initiative to motivate young minds and helping them realize the potential they bear within them. **Hult Prize** inspires students to build impactful and sustainable enterprises.

Number of teams participated – 30

KIIT HULT PRIZE 2021

The winner of KIIT Hult Prize 2021 is **Team Tyup**, a team of 4 who built an application based on collaborative ecosystem of students, colleges, and companies. This team will be representing our university in the global stage at **Hult Prize Regional Summit** in Dhaka from 27th-28th May, 2022.

INTERNSHIP CAMP 2022

Date: 7th May to 9th May 2022

Internship Camp 2022 is a three-day process aimed at providing students with opportunities to gain experience in the real world. The functioning of corporates, the workflow they follow and the outcome of projects they work on provide them a higher pedestal. This, in turn, will aid their future prospects of opportunities.

The graphic is a dark blue rectangular poster. At the top left are the KIIT and EXC logos. The text 'Did somebody say' is in white, followed by 'INTERNSHIP?' in bold white. Below this is 'Internship Camp 2022' in large blue font. In the center is a white icon of a camera with a blue 'iD' badge. Below the icon is a calendar icon showing 'MAY 7-9'. At the bottom, it says 'Register Now @' followed by a blue button with the text 'icamp.ecell.org.in' in white.

INTERNSHIP CAMP 2022

Date: 7th May to 9th May 2022

In the 7th edition of Internship Camp, bootcamps named Break The Ice, Tech Check and Success Mantra to PI and GD were conducted.

No. of Companies = 170

No. of Registrations = 1492

Brand Names = Gupshup Technology, Vitalic Health (Netmeds.com), RoadBounce

The poster features the KIIT and Ecell logos at the top. The text reads: 'Did somebody say **'INTERNSHIP'?**', followed by 'Internship Camp 2022' in large blue letters. Below this is an icon of a camera with an 'id' tag. A calendar icon shows 'MAY 7-9'. At the bottom, it says 'Register Now @' followed by a blue button with the text 'icamp.ecell.org.in'.

OUTLOOK FOR THE FUTURE

The upcoming slides consist of all the initiatives that KIIT Entrepreneurship Cell will successfully accomplish in the coming term.

PROPOSED FUTURE EVENTS

TECH/NON-TECH BOOTCAMP

E-AWARENESS CAMP

E-SUMMIT 2022

KIIT START-UP KONCLAVE

KIIT HULT PRIZE 2022

MEGA INTERNSHIP CAMP 2023

TECH/NON-TECH BOOTCAMP

A month-long bootcamp in both tech and non-tech domains will be conducted offline mode and conclude with a hackathon/business case study. Tech bootcamps will be in collaboration with the technical societies of KIIT.

E-AWARENESS CAMP

The E-Awareness Camp will consist of:

- 7 days hands-on Training
- Start-up support point
- Start-up expo/networking

Further these events will help generate leads for KIIT Hult Prize OnCampus Program.

E-SUMMIT 2022

To give aspiring entrepreneurs a taste of the enthusiasm required to establish a business. The experiences shared by the panelists will boost them to focus on finding one's own passion instead of focusing on what one does not want to do.

MEGA INTERNSHIP CAMP 2023

Internship Camp is a three-day process aimed at providing students with opportunities to gain experience in the real world. In the upcoming term, we aim to extend it by making it a 7-14 days process for the ease of companies as well as the students.

KIIT HULT PRIZE 2022

In the upcoming term, if the situation favors, we also hope to organize a Regional Summit in our own campus under the umbrella of the Hult Prize Program thereby inviting students from other universities and colleges from India and nearby countries to pitch in their ideas.

KIIT START-UP KONCLAVE 2022

The main goal of the KIIT Start-Up Konclave is to provide a platform for the start-up community to express their views, find potential buyers and mentors, and receive ample resources to help their businesses succeed.

and many more...
THANK YOU.
